## SECTION II. AGREEMENTS

The association hereby agrees:

- (1) That it will compensate local One Variety Cotton Improvement Associations for services they render in connection with the delivery of seed and in connection with the administration of the program in their locality.
- (2) That, at the end of each active week, it will notify the Administrator or his authorized agent of the delivery of any cotton seed pursuant hereto. Such notice will include the quantity of each class of seed delivered during the reporting period and the accumulated seasonal totals of each class of seed delivered to the end of the reporting period.
- (3) That it will furnish to the Administrator, or to his authorized agents, such information as the Administrator or his authorized agents may request for the purpose of enabling them to determine the extent to which there has been compliance with the "Offer of the War Food Administrator" in connection with the "Cotton Improvement Planting Seed Program (Fiscal Year 1944)" and the proper payments to be made in connection with the delivery of cotton seed thereunder; and the association further agrees to make available to the Administrator, or to his authorized agents, from time to time as the Administrator may request, for verification of such information, the association's pertinent books, records, account, memoranda, documents, papers, and correspondence and those of its agents, affiliates and subsidiaries. The determination of the Administrator with respect to pertinency shall be final and conclusive.
- (4) That it will abide by all other conditions set forth in said Offer, and will allow the Administrator or his authorized agents during operating hours or at any other reasonable times, to enter upon any premises where such cotton seed are being handled, ginned, stored, recleaned, treated, or packaged, to otherwise inspect such cotton seed, and to determine to what extent there is or has been compliance with the terms and conditions of said Offer.
